

Nebo Afterschool Clubs

Before and after school Programs

Orchard Hills Elementary is pleased to announce registration for 2017 Fall Session.

Online registration will begin Wednesday, August 30th at 8:00am. Spots are limited, register early!

To register, go to <http://orchardhills.nebo.edu>. Click on 4H clubs under primary links. Follow the registration instructions. Make sure to 1st – register online, 2nd – print and complete applicable forms, and 3rd – send payment and forms to Orchard Hills by September 8th. If you do not have access to a computer, feel free to come use one at the school. If you have any questions or concerns you can email me at valerie.mecham@nebo.edu or call at 801-471-3173.

Clubs are \$10.00 each. The morning power hour is FREE. Students will be fed a snack at the beginning of each afternoon club. Clubs start on Tuesday, September 5th. See you there!

In an effort to make registration more equitable, please enroll each child for only two clubs during the first hour of registration. After 9:00am feel free to register for as many remaining clubs as you would like.

Class Descriptions

Morning Power Hour: Homework Help (Every morning during the school year) - Receive homework help every morning! This is also a safe place for kids who need to come to school early. Even though it is free we need everyone who attends to fill out the registration forms.

Pottery: (Grades 3-6) Students will create several different pottery projects. They will learn how to make a pinch pot, coil pot, and even create a pot on the potter's wheel. Each project will be glazed.

Lego Club: (Grades k-3) Create awesome Lego creations and learn valuable engineering skills along the way!

Chess Club: (Grades 2-6) It is one of the world's most popular games played by people all over the globe. Come learn the basics of chess, opening and closing moves, and strategy. Each week we'll focus on a special technique all leading up to our own tournament. As well as prepare you to for the Nebo Tournament in March.

Lego Robotics Club: (Grades 4-6) Come experience the fun of building and programming your own robot with Lego Mindstorms EV3 kits!

Mad Scientist Club: (Grades 4-6) For all you Scientists, you will learn core science ideas and concepts as you experience hands on demonstrations. Be like a real scientist and learn the *Why* and *How* of unusual science phenomena.

Technique of Dance Club: Do you love to dance? This club will help you learn to improve and strengthen your dance techniques. For all levels of dance.

Duct Tape Art Club: Using only Duct tape learn to make many different art projects. From wallets to fancy pencils come see what you will be able to make.

Painting Club: Create fun and expressive art projects using paint. learn new ways to give your projects just what it needs. Don't forget Refection will be in a few months.

Reading Adventures Club: Oh the places you can go and the adventures you can have while reading a book. Come join us for a story followed by making a craft to take home or doing a fun activity related to the book we read.
