Emily motioned to approve minutes from the March meeting. Kim seconded the motion.

**2--Student Wellness Policy- Brianne Folkman report**

Brianne reviewed what the school/district has been working on/offering for Orchard Hill's Wellness Plan & Goals.

- mental and social health supports from school counselor
- free meals
- building community between grades and grade levels
- QPR - suicide prevention training

Areas suggestions for improvement:

- improved communication between teachers and parents for healthier rewards (ex. Healthier treats, nonfood rewards)
- helping students with anxiety, behavior expectations, school wide system
- educating parents on available resources (i.e. school psychologists, counselor, etc.)

SCC suggestions;

- increased awareness of food allergies/dietary restrictions
- encourage teachers to share health/wellness information goals to model health behavior
- opportunities for students to express how they feel about situations/talk about what the kids already know about current events/concerns.

-Excused Brianne

**3-- School Access Plan (safe walking routes, etc.)**

Keri- shared her observations from driving and walking around the school. Specifically some of the areas of concern that she submitted to UDOT/the city. (i.e. hazards such as uncovered irrigation pipes/holes) in areas that kids are walking through (even though busing is available to these students to avoid these hazards).

- ideas for parents (i.e. PTA sign up for people needing a carpool, etc.)
